Part C – Description of Key Activities

Please provide a brief reason why this noise exemption is required and the main noise source:

Please provide information on predicted noise levels:

IMPORTANT INFORMATION

A Noise Management Plan containing the following information is required to be submitted with this form:

- Site plan showing stage, location of PA system and property boundaries etc.
- Results of modelled noise emissions/results of previous monitoring (if applicable)
- The noise control measures to be implemented
- Noise monitoring procedures or activities to be undertaken
- Complaint response procedure to be adopted
- Method of providing notification to surrounding properties (include a copy of any notices)

In order to satisfy the Important Supporting Documentation, applicants may be required to submit a Noise Management Plan developed by a suitably qualified Acoustician or Sound Engineer.

As a Condition of Approval, noise monitoring may be required. If noise monitoring is undertaken by a Shire Officer, additional fees will apply.

LEGISLATION REQUIREMENTS:

Environmental Protection (Noise) Regulations 1977 are available online [here](#):

FEES

Payment of the following fees is required upon application.

- Application fee (where application is >60 days prior to event): **\$265.00**
NB: this fee is waived for Community and Charitable Groups

Applications may be received less than **30 days** before the event but only at the discretion of the CEO and where they are satisfied that there are exceptional circumstances for the application not being made sooner. Applications of this nature both require the application fee and the late payment fee.
